Supportive Care in Neuro-Oncology Symposium

Creating a better everyday for all impacted by brain cancer

Friday, March 4, 2022
2:00 PM - 6:00 PM EST
Zoom

Sponsored by
PRTBTC Supportive Care
Research Committee

Planning Committee:

Katherine B. Peters, MD, PhD FAAN
Associate Professor of Neurosurgery
and Neurology
Duke University

Mary Lou Affronti DNP, RN, MHSc,
ANP, FAAN
Clinical Professor
Duke University

Margaret O. Johnson, MD
Assistant Professor of Neurosurgery
Duke University

Jungyoung Kim, DNP, APRN, ANP
Nurse Practitioner
Duke University

Mallika P. Patel, PharmD, CPP
Clinical Pharmacist
Duke University

Duke Neurosurgery
Welcome and Introductions - Katherine B. Peters, MD, PhD FAAN Duke University

Keynote: Dr. Dina Randazzo Honorary Lecture on Complementary Alternative Advances in Cancer
David Casarett, MD, MA

Advanced Care Planning in Neuro-Oncology
Moderator
Margaret O. Johnson, MD
Duke University

Panelists
Michelle McWhirter, MSW, LCSW-C
Johns Hopkins Bayview Medical Center

Tobias Walbert, MD, PhD, MPH
Henry Ford Cancer Institute

Caroline Crooms, MD
Mount Sinai Hospital

Elizabeth Fricklas, PA
Duke University

Dietary and Functional Interventions in Clinical Neuro-Oncology
Moderator
Karisa Schreck, MD, PhD
Johns Hopkins University

Panelists
Jethro Hu, MD
Cedars-Sinai Medical Center

Jennifer Philip, PhD
Peter MacCallum Cancer Centre and the Royal Melbourne Hospital

Janet Shaffer, Lac Dipl OM (NCCAOM)
Duke Integrative Medicine

Managing Symptoms in the Neuro-Oncology Patients (Part 1): Acute Symptoms
Moderator
Mary Lou Affronti DNP, RN, MHSc, ANP, FAAN

Panelists
Akanksha Sharma, MD
Pacific Neuroscience Institute
4:35 - 5:05  Managing Symptoms in the Neuro-Oncology Patients (Part 2): Long-Term Symptoms

**Moderator**
Heather Leeper, MD, MSc
National Institutes of Health

**Panelists**
Kristen Schroeder, MD
Duke University

Justin Jordan, MD
Massachusetts General Hospital

Casey Brown, DNP
Duke University

Jean Hartford-Todd, CCLS
Duke University

5:10 - 5:40  Focus on Caregivers

**Moderator**
Nimish Mohile, MD, MS FAAN
University of Rochester

**Panelists**
Lynne Taylor, MD
University of Washington

Jennifer Serventi, PA
University of Rochester

Jungyoung Kim, DNP, APRN, ANP
Duke University

Paula R. Sherwood, RN, PhD, CNRN, FAAN
University of Pittsburgh

5:45 p.m. **Closing Remarks** - Katherine B. Peters, MD, PhD FAAN
Speakers

Mary Lou Affronti DNP, RN, MHSc, ANP, FAAN
Clinical Professor
Duke University

Terri Armstrong, PhD, ANP-BC, FAANP, FAAN
Senior Investigator and Deputy Branch Chief
National Institutes of Health

Casey Brown, DNP
Nurse Practitioner
Duke University

David Casarett, MD, MA
Professor of Medicine
Chief of Palliative Care Services
Duke University

Caroline Crooms, MD
Instructor in Department of Neurology
Mount Sinai Hospital

Elizabeth Fricklas, PA
Physician Assistant
Duke University

Jean Hartford-Todd, CCLS
Child & Adolescent Life Specialist
Duke University

Jethro Hu, MD
Associate Professor of Medicine, Neurology, and Neurosurgery
Co-Director of Cedars-Sinai Neuro-Oncology Program
Cedars-Sinai Medical Center

Margaret O. Johnson, MD
Assistant Professor of Neurosurgery
Duke University

Justin Jordan, MD
Clinical Director of Neuro-Oncology
Director of the Family Center for Neurofibromatosis
Massachusetts General Hospital

Jungyoung Kim, DNP, APRN, ANP
Nurse Practitioner
Duke University

Heather Leeper, MD, MSc
Assistant Research Physician
National Institutes of Health

Michelle McWhirter, MSW, LCSW-C
Social Worker, Palliative Care
Johns Hopkins Bayview Medical Center

Nimish Mohile, MD, MS FAAN
Professor of Neurology
University of Rochester

Mallika P. Patel, PharmD, CPP
Clinical Pharmacist
Duke University
